Prospectus Supplement

Bank Financial Group

The Toronto-Dominion Bank (a Canadian chartered bank)

\$375,000,000

15,000,000 Non-Cumulative 5-Year Rate Reset Preferred Shares, Series AG

This offering of Non-Cumulative 5-Year Rate Reset Preferred Shares, Series AG (the “Series AG Shares”) of The Toronto-Dominion Bank (the “Bank”) under this prospectus supplement (the “Prospectus Supplement”) consists of 15,000,000 Series AG Shares. The holders of the Series AG Shares will be entitled to receive fixed quarterly non-cumulative preferential cash dividends, as and when declared by the board of directors of the Bank (the “Board of Directors”), for the initial period from and including the closing date of this offering to but excluding April 30, 2014 (the “Initial Fixed Rate Period”), payable on the last day of January, April, July and October in each year (each three-month period ending on the last day of each such month, a “Quarter”), at a per annum rate of 6.25% per share, or \$0.390625 per share per Quarter. Notwithstanding the foregoing, based on the anticipated closing date of this offering of January 30, 2009, the first dividend per Series AG Share, if declared, will be payable on April 30, 2009 in respect of the period from and including January 30, 2009 to but excluding April 30, 2009, in the amount of \$0.38527 per share. See “Details of the Offering”.

For each five-year period after the Initial Fixed Rate Period (each a “Subsequent Fixed Rate Period”), the holders of the Series AG Shares will be entitled to receive fixed quarterly non-cumulative preferential cash dividends, as and when declared by the Board of Directors, payable on the last day of January, April, July and October in each year in an amount per share per annum determined by multiplying the Annual Fixed Dividend Rate (as defined herein) applicable to such Subsequent Fixed Rate Period by \$25.00. The Annual Fixed Dividend Rate for the ensuing Subsequent Fixed Rate Period will be determined by the Bank on the Fixed Rate Calculation Date (as defined herein) and will be equal to the sum of the Government of Canada Yield (as defined herein) on the Fixed Rate Calculation Date plus 4.38%. See “Details of the Offering”.

Option to Convert Into Series AH Shares

The holders of the Series AG Shares will have the right, at their option, to convert their shares into Non-Cumulative Floating Rate Preferred Shares, Series AH of the Bank (the “Series AH Shares”), subject to certain conditions, on April 30, 2014 and on April 30 every five years thereafter. The holders of the Series AH Shares will be entitled to receive quarterly floating rate non-cumulative preferential cash dividends, as and when declared by the Board of Directors, payable on the last day of January, April, July and October in each year (the initial quarterly dividend period and each subsequent quarterly dividend period is referred to as a “Quarterly Floating Rate Period”) in an amount per share determined by multiplying the applicable Floating Quarterly Dividend Rate (as defined herein) by \$25.00. The Floating Quarterly Dividend Rate will be equal to the sum of the T-Bill Rate (as defined herein) plus 4.38% (calculated on the basis of the actual number of days elapsed in the applicable Quarterly Floating Rate Period divided by 365) determined on the Floating Rate Calculation Date (as defined herein). See “Details of the Offering”.

Subject to the provisions of the *Bank Act* (Canada) (the “Bank Act”), including, if required, the consent of the Superintendent of Financial Institutions (Canada) (the “Superintendent”), on April 30, 2014 and on April 30 every five years thereafter, the Bank may redeem all or any part of the then outstanding Series AG Shares, at the Bank’s option without the consent of the holder, by the payment in cash of a sum per share so redeemed equal to \$25.00 together with an amount equal to the sum (the “Accrued Amount”) of (i) all declared and unpaid dividends in respect of completed Quarters preceding the date fixed for redemption; and (ii) an amount equal to the cash dividend in respect of the Quarter in which the redemption occurs, whether declared or not, *pro rated* (if applicable) to such date. See “Details of the Offering”.

It is the Bank’s intention to fund any cash redemption of the Series AG Shares in full by issuing securities that will have equity characteristics that are similar or equivalent to the Series AG Shares and qualify as Tier 1 capital from a regulatory perspective within six months of the date of redemption.

The Bank intends to apply to list the Series AG Shares and the Series AH Shares on the Toronto Stock Exchange (the “TSX”). Listing will be subject to the Bank fulfilling all of the requirements of the TSX.

DETAILS OF THE OFFERING

The following is a summary of certain provisions attaching to the Series AG Shares as a series and the Series AH Shares as a series, each of which represents a series of Class A First Preferred Shares. See “Description of Preferred Shares” in the Prospectus for a description of the general terms and provisions of the Class A First Preferred Shares as a class.

Certain Provisions of the Series AG Shares as a Series

Definition of Terms

The following definitions are relevant to the Series AG Shares.

“**Annual Fixed Dividend Rate**” means, for any Subsequent Fixed Rate Period, the rate of interest (expressed as a percentage rate rounded down to the nearest one hundred-thousandth of one percent (with 0.000005% being rounded up)) equal to the Government of Canada Yield on the applicable Fixed Rate Calculation Date plus 4.38%.

“**Fixed Rate Calculation Date**” means, for any Subsequent Fixed Rate Period, the 30th day prior to the first day of such Subsequent Fixed Rate Period.

“**Government of Canada Yield**” on any date shall mean the yield to maturity on such date (assuming semi-annual compounding) of a Canadian dollar denominated non-callable Government of Canada bond with a term to maturity of five years as quoted as of 10:00 a.m. (Toronto time) on such date and which appears on the Bloomberg Screen GCAN5YR Page on such date; provided that, if such rate does not appear on the Bloomberg Screen GCAN5YR Page on such date, the Government of Canada Yield will mean the arithmetic average of the yields quoted to the Bank by two registered Canadian investment dealers selected by the Bank as being the annual yield to maturity on such date, compounded semi-annually, which a non-callable Government of Canada

bond would carry if issued, in Canadian dollars in Canada, at 100% of its principal amount on such date with a term to maturity of five years.

“**Initial Fixed Rate Period**” means the period from and including the closing date of this offering to but excluding April 30, 2014.

“**Subsequent Fixed Rate Period**” means for the initial Subsequent Fixed Rate Period, the period from and including April 30, 2014 to but excluding April 30, 2019, and for each succeeding Subsequent Fixed Rate Period, the period from and including the day immediately following the end of the immediately preceding Subsequent Fixed Rate Period to but excluding April 30 in the fifth year thereafter.

Issue Price

The Series AG Shares will have an issue price of \$25.00 per share.

Dividends on Series AG Shares

During the Initial Fixed Rate Period, the holders of the Series AG Shares will be entitled to receive fixed quarterly non-cumulative preferential cash dividends at a per annum rate of 6.25%, as and when declared by the Board of Directors, subject to the provisions of the Bank Act, payable on the last day of January, April, July and October in each year. Such quarterly cash dividends, if declared, will be \$0.390625 per share. Notwithstanding the foregoing, the first dividend per Series AG Share, if declared, will be payable on April 30, 2009 in respect of the period from and including January 30, 2009 to but excluding April 30, 2009, in the amount of \$0.38527 per share, based on the anticipated closing date of this offering of January 30, 2009.

During each Subsequent Fixed Rate Period, the holders of the Series AG Shares will be entitled to receive fixed quarterly non-cumulative preferential cash dividends, as and when declared by the Board of Directors, subject to the provisions of the Bank Act, payable on the last day of January, April, July and October in each year, in an amount per share per annum determined by multiplying the Annual Fixed Dividend Rate applicable to such Subsequent Fixed Rate Period by \$25.00.

The Annual Fixed Dividend Rate applicable to a Subsequent Fixed Rate Period will be determined by the Bank on the Fixed Rate Calculation Date. Such determination will, in the absence of manifest error, be final and binding upon the Bank and upon all holders of Series AG Shares. The Bank will, on the Fixed Rate Calculation Date, give written notice of the Annual Fixed Dividend Rate for the ensuing Subsequent Fixed Rate Period to the registered holders of the then outstanding Series AG Shares.

If the Board of Directors of the Bank does not declare a dividend, or any part thereof, on the Series AG Shares on or before the dividend payment date therefor, then the rights of the holders of the Series AG Shares to such dividend, or to any part thereof, will be extinguished.

Redemption of Series AG Shares

The Series AG Shares will not be redeemable prior to April 30, 2014. Subject to the provisions of the Bank Act, including, if required, the prior consent of the Superintendent, and to the provisions described below under “— Restrictions on Dividends and Retirement of Series AG Shares”, on April 30, 2014 and on April 30 every five years thereafter, the Bank may redeem all or any part of the then outstanding Series AG Shares, at the Bank’s option without the consent of the holder, by the payment in cash of a sum per share so redeemed equal to \$25.00 together with an amount equal to the Accrued Amount to the date fixed for redemption. It is the Bank’s intention to fund any cash redemption of the Series AG Shares in full by issuing securities that will have equity characteristics that are similar or equivalent to the Series AG Shares and qualify as Tier 1 capital from a regulatory perspective within six months of the date of redemption.

Notice of any redemption of the Series AG Shares will be given in writing by the Bank not more than 60 days and not less than 30 days prior to the date fixed for redemption. If less than all of the outstanding Series AG Shares are at any time to be redeemed, the shares to be redeemed will be selected *pro rata* disregarding fractions or in such other manner as the Bank may determine.

Conversion of Series AG Shares into Series AH Shares

Holders of Series AG Shares will have the right, at their option, on April 30, 2014 and on April 30 every five years thereafter (each a “Series AG Conversion Date”), to convert, subject to the restrictions on conversion described below and the payment or delivery to the Bank of evidence of payment of the tax (if any) payable, all or any of their Series AG Shares into Series AH Shares on the basis of one Series AH Share for each Series AG Share. Notice of a holder’s intention to convert Series AG Shares must be received by the Bank not earlier than the 30th day prior to, but not later than 5:00 p.m. (Toronto time) on the 15th day preceding, a Series AG Conversion Date.

The Bank will, not more than 60 and not less than 30 days prior to the applicable Series AG Conversion Date, give notice in writing to the then registered holders of the Series AG Shares of the above-mentioned conversion right. On the 30th day prior to each Series AG Conversion Date, the Bank will give notice in writing to the then registered holders of the Series AG Shares of the Annual Fixed Dividend Rate for the next succeeding Subsequent Fixed Rate Period and the Floating Quarterly Dividend Rate applicable to the Series AH Shares for the next succeeding Quarterly Floating Rate Period.

Holders of Series AG Shares will not be entitled to convert their shares into Series AH Shares if the Bank determines that there would remain outstanding on a Series AG Conversion Date less than 750,000 Series AH Shares, after having taken into account all Series AG Shares tendered for conversion into Series AH Shares and all Series AH Shares tendered for conversion into Series AG Shares. The Bank will give notice in writing thereof to all registered holders of the Series AG Shares at least seven days prior to the applicable Series AG Conversion Date. Furthermore, if the Bank determines that there would remain outstanding on a Series AG Conversion Date less than 750,000 Series AG Shares, after having taken into account all Series AG Shares tendered for conversion into Series AH Shares and all Series AH Shares tendered for conversion into Series AG Shares, then, all, but not part, of the remaining outstanding Series AG Shares will automatically be converted into Series AH Shares on the basis of one Series AH Share for each Series AG Share on the applicable Series AG Conversion Date and the Bank will give notice in writing thereof to the then registered holders of such remaining Series AG Shares at least seven days prior to the Series AG Conversion Date.

Upon exercise by the holder of this right to convert Series AG Shares into Series AH Shares, the Bank reserves the right not to issue Series AH Shares to any person whose address is in, or whom the Bank or its transfer agent has reason to believe is a resident of, any jurisdiction outside Canada, to the extent that such issue would require the Bank to take any action to comply with the securities, banking or analogous laws of such jurisdiction. See also “Bank Act Restrictions and Restrictions on Payment of Dividends” in the Prospectus.

If the Bank gives notice to the registered holders of the Series AG Shares of the redemption of all the Series AG Shares, the Bank will not be required to give notice as provided hereunder to the registered holders of the Series AG Shares of an Annual Fixed Dividend Rate, a Floating Quarterly Dividend Rate or of the conversion right of holders of Series AG Shares and the right of any holder of Series AG Shares to convert such Series AG Shares will cease and terminate in that event.

Conversion of Series AG Shares into Another Series of Preferred Shares at the Option of the Holder

The Bank may at any time on and after April 30, 2014 give holders of the Series AG Shares notice that they have the right, pursuant to the terms of the Series AG Shares, at their option, to convert their Series AG Shares on the date specified in the notice into fully-paid New Preferred Shares (as hereinafter defined) on a share for share basis. Notice shall be given by the Bank in writing not more than 60 and not less than 30 days prior to such conversion date.

“New Preferred Shares” means a further series of Class A First Preferred Shares constituted by the Board of Directors having rights, privileges, restrictions and conditions attaching thereto which would qualify such New Preferred Shares as Tier 1 capital or equivalent of the Bank under the then current capital adequacy guidelines prescribed by the

Superintendent if applicable, and if not applicable, having such rights, privileges, restrictions and conditions as the Board of Directors may determine, provided that in each case such New Preferred Shares will not, if issued, be or be deemed to be “short term preferred shares” within the meaning of the Tax Act.

Upon exercise by the holder of this right to convert Series AG Shares into New Preferred Shares, the Bank reserves the right not to issue New Preferred Shares to any person whose address is in, or whom the Bank or its transfer agent has reason to believe is a resident of, any jurisdiction outside Canada, to the extent that such issue would require the Bank to take any action to comply with the securities, banking or analogous laws of such jurisdiction. See also “Bank Act Restrictions and Restrictions on Payment of Dividends” in the Prospectus.

Purchase for Cancellation

Subject to the provisions of the Bank Act, including, if required, the prior consent of the Superintendent, and to the provisions described below under “—Restrictions on Dividends and Retirement of Series AG Shares”, the Bank may at any time purchase for cancellation any Series AG Shares at the lowest price or prices at which, in the opinion of the Bank, such shares are obtainable.

Rights on Liquidation

In the event of the liquidation, dissolution or winding-up of the Bank, the holders of the Series AG Shares will be entitled to receive a sum per share equal to \$25.00, together with the amount of declared and unpaid dividends to the date of payment, before any amount shall be paid or any assets of the Bank distributed to the holders of Common Shares or other shares ranking junior to the Series AG Shares. The holders of the Series AG Shares will not be entitled to share in any further distribution of the property or assets of the Bank.

Restrictions on Dividends and Retirement of Series AG Shares

So long as any Series AG Shares are outstanding, the Bank will not, without the approval of the holders of the Series AG Shares given as specified below:

- (a) declare any dividend on the Common Shares or any other shares ranking junior to the Series AG Shares (other than stock dividends on shares ranking junior to the Series AG Shares); or
- (b) redeem, purchase or otherwise retire any Common Shares or any other shares ranking junior to the Series AG Shares (except out of the net cash proceeds of a substantially concurrent issue of shares ranking junior to the Series AG Shares); or
- (c) redeem, purchase or otherwise retire: (i) less than all the Series AG Shares; or (ii) except pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching to any series of preferred shares of the Bank, any other shares ranking prior to or on a parity with the Series AG Shares;

unless, in each case, all dividends on the Series AG Shares up to and including those payable on the dividend payment date for the last completed period for which dividends shall be payable and in respect of which the rights of the holders thereof have not been extinguished, and all dividends then accrued on all other shares ranking prior to or on a parity with the Series AG Shares, have been declared and paid or set apart for payment.

Issuance of Additional Series of Class A First Preferred Shares and Amendment of Series AG Share Provisions

The Bank may not, without the prior approval of the holders of the Class A First Preferred Shares (in addition to such approvals as may be required by the Bank Act or any other legal requirement), (i) create or issue any shares ranking in priority to the Class A First Preferred Shares, or (ii) create or issue any additional series of Class A First Preferred Shares or any shares ranking *pari passu* with the Class A First Preferred Shares, unless at the date of such creation or issuance all cumulative dividends up to and including the last completed period for which such cumulative dividends

shall be payable, shall have been declared and paid or set apart for payment in respect of each series of cumulative Class A First Preferred Shares then issued and outstanding and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of non-cumulative Class A First Preferred Shares then issued and outstanding. Currently, there are no outstanding Class A First Preferred Shares which carry the right to cumulative dividends.

The provisions attaching to the Series AG Shares may not be deleted or varied without such approval as may then be required by the Bank Act, subject to a minimum requirement for approval by at least two-thirds of the votes cast at a meeting of the holders of Series AG Shares duly called for the purpose or by the signature of the holders of at least two-thirds of the Series AG Shares outstanding. In addition to the aforementioned approval, the Bank will not without, but may from time to time with, the prior approval of the Superintendent make any such deletion or variation which might affect the classification afforded to the Series AG Shares from time to time for capital adequacy requirements pursuant to the Bank Act and the Regulations and Guidelines thereunder.

Voting Rights

The holders of the Series AG Shares will not be entitled as such to receive notice of or to attend or to vote at any meeting of the shareholders of the Bank unless and until the first time at which the rights of such holders to any undeclared dividends have been extinguished as described under “—Dividends on Series AG Shares” above. In that event, the holders of the Series AG Shares will be entitled to receive notice of, and to attend, all meetings of the shareholders at which directors are to be elected and will be entitled to one vote for each share held. The voting rights of the holders of the Series AG Shares shall forthwith cease upon the first payment by the Bank of a dividend on the Series AG Shares to which the holders are entitled subsequent to the time such voting rights arose. At such time as the rights of such holders to any undeclared dividends on the Series AG Shares have again been extinguished, such voting rights will become effective again and so on from time to time.

Tax Election

The Series AG Shares will be “taxable preferred shares” as defined in the Tax Act for purposes of the tax under Part IV.1 of the Tax Act applicable to certain corporate holders of the Series AG Shares. The terms of the Series AG Shares require the Bank to make the necessary election under Part VI.1 of the Tax Act so that such corporate holders will not be subject to the tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Series AG Shares. See “Canadian Federal Income Tax Considerations”.

Business Day

If any action is required to be taken by the Bank on a day that is not a business day, then such action will be taken on the next succeeding day that is a business day.

Certain Provisions of the Series AH Shares as a Series

Definition of Terms

The following definitions are relevant to the Series AH Shares.

“**Floating Quarterly Dividend Rate**” means, for any Quarterly Floating Rate Period, the rate of interest (expressed as a percentage rate rounded down to the nearest one hundred-thousandth of one percent (with 0.000005% being rounded up)) equal to the sum of the T-Bill Rate on the applicable Floating Rate Calculation Date plus 4.38% (calculated on the basis of the actual number of days elapsed in such Quarterly Floating Rate Period divided by 365).

“**Floating Rate Calculation Date**” means, for any Quarterly Floating Rate Period, the 30th day prior to the first day of such Quarterly Floating Rate Period.

“Quarterly Commencement Date” means the last day of January, April, July and October in each year, commencing April 30, 2014.

“Quarterly Floating Rate Period” means, for the initial Quarterly Floating Rate Period, the period from and including April 30, 2014 to but excluding the next following Quarterly Commencement Date, and thereafter the period from and including the day immediately following the end of the immediately preceding Quarterly Floating Rate Period to but excluding the next succeeding Quarterly Commencement Date.

“T-Bill Rate” means, for any Quarterly Floating Rate Period, the average yield expressed as a percentage per annum on three-month Government of Canada Treasury Bills, as reported by the Bank of Canada, for the most recent treasury bills auction preceding the applicable Floating Rate Calculation Date.

Issue Price

The Series AH Shares will have an issue price of \$25.00 per share.

Dividends on Series AH Shares

The holders of the Series AH Shares will be entitled to receive quarterly floating rate non-cumulative preferential cash dividends, as and when declared by the Board of Directors, subject to the provisions of the Bank Act, payable on the last day of January, April, July and October in each year. Such quarterly cash dividends, if declared, will be in an amount per share determined by multiplying the applicable Floating Quarterly Dividend Rate by \$25.00.

The Floating Quarterly Dividend Rate for each Quarterly Floating Rate Period will be determined by the Bank on the Floating Rate Calculation Date. Such determination will, in the absence of manifest error, be final and binding upon the Bank and upon all holders of Series AH Shares. The Bank will, on the Floating Rate Calculation Date, give written notice of the Floating Quarterly Dividend Rate for the ensuing Quarterly Floating Rate Period to all registered holders of the then outstanding Series AH Shares.

If the Board of Directors of the Bank does not declare a dividend, or any part thereof, on the Series AH Shares on or before the dividend payment date therefor, then the rights of the holders of the Series AH Shares to such dividend, or to any part thereof, will be extinguished.

Redemption of Series AH Shares

Subject to the provisions of the Bank Act, including, if required, the prior consent of the Superintendent, and to the provisions described below under “— Restrictions on Dividends and Retirement of Series AH Shares”, the Bank may redeem all or any part of the then outstanding Series AH Shares, at the Bank’s option without the consent of the holder, by the payment in cash of a sum per share so redeemed equal to (i) \$25.00 in the case of redemptions on April 30, 2019 and on April 30 every five years thereafter, or (ii) \$25.50 in the case of redemptions on any other date on or after April 30, 2014, together, in each case, with an amount equal to the Accrued Amount to the date fixed for redemption. It is the Bank’s intention to fund any cash redemption of the Series AH Shares in full by issuing securities that will have equity characteristics that are similar or equivalent to the Series AH Shares and qualify as Tier 1 capital from a regulatory perspective within six months of the date of redemption.

Notice of any redemption of the Series AH Shares will be given in writing by the Bank not more than 60 days and not less than 30 days prior to the date fixed for redemption. If less than all of the outstanding Series AH Shares are at any time to be redeemed, the shares to be redeemed will be selected *pro rata* disregarding fractions or in such other manner as the Bank may determine.

Conversion of Series AH Shares into Series AG Shares

Holders of Series AH Shares will have the right, at their option, on April 30, 2019 and on April 30 every five years thereafter (each a “Series AH Conversion Date”), to convert, subject to the restrictions on conversion described below and the payment or delivery to the Bank of evidence of payment of the tax (if any) payable, all or any of their

Series AH Shares into Series AG Shares on the basis of one Series AG Share for each Series AH Share. Notice of a holder's intention to convert Series AH Shares must be received by the Bank not earlier than the 30th day prior to, but not later than 5:00 p.m. (Toronto time) on the 15th day preceding, a Series AH Conversion Date.

The Bank will, not more than 60 and not less than 30 days prior to the applicable Series AH Conversion Date, give notice in writing to the then registered holders of the Series AH Shares of the above-mentioned conversion right. On the 30th day prior to each Series AH Conversion Date, the Bank will give notice in writing to the then registered holders of the Series AH Shares of the Annual Fixed Dividend Rate applicable to the Series AG Shares for the next succeeding Subsequent Fixed Rate Period.

Holders of Series AH Shares will not be entitled to convert their shares into Series AG Shares if the Bank determines that there would remain outstanding on a Series AH Conversion Date less than 750,000 Series AG Shares, after having taken into account all Series AH Shares tendered for conversion into Series AG Shares and all Series AG Shares tendered for conversion into Series AH Shares. The Bank will give notice in writing thereof to all registered holders of the Series AH Shares at least seven days prior to the applicable Series AH Conversion Date. Furthermore, if the Bank determines that there would remain outstanding on a Series AH Conversion Date less than 750,000 Series AH Shares, after having taken into account all Series AH Shares tendered for conversion into Series AG Shares and all Series AG Shares tendered for conversion into Series AH Shares, then, all, but not part, of the remaining outstanding Series AH Shares will automatically be converted into Series AG Shares on the basis of one Series AG Share for each Series AH Share on the applicable Series AH Conversion Date and the Bank will give notice in writing thereof to the then registered holders of such remaining Series AH Shares at least seven days prior to the Series AH Conversion Date.

Upon exercise by the holder of this right to convert Series AH Shares into Series AG Shares, the Bank reserves the right not to issue Series AG Shares to any person whose address is in, or whom the Bank or its transfer agent has reason to believe is a resident of, any jurisdiction outside Canada, to the extent that such issue would require the Bank to take any action to comply with the securities, banking or analogous laws of such jurisdiction. See also "Bank Act Restrictions and Restrictions on Payment of Dividends" in the Prospectus.

If the Bank gives notice to the registered holders of the Series AH Shares of the redemption of all the Series AH Shares, the Bank will not be required to give notice as provided hereunder to the registered holders of the Series AH Shares of an Annual Fixed Dividend Rate or of the conversion right of holders of Series AH Shares and the right of any holder of Series AH Shares to convert such Series AH Shares will cease and terminate in that event.

Conversion of Series AH Shares into Another Series of Preferred Shares at the Option of the Holder

The Bank may at any time on and after April 30, 2019 give holders of the Series AH Shares notice that they have the right, pursuant to the terms of the Series AH Shares, at their option, to convert their Series AH Shares on the date specified in the notice into fully-paid New Preferred Shares on a share for share basis. Notice shall be given by the Bank in writing not more than 60 and not less than 30 days prior to such conversion date.

Upon exercise by the holder of this right to convert Series AH Shares into New Preferred Shares, the Bank reserves the right not to issue New Preferred Shares to any person whose address is in, or whom the Bank or its transfer agent has reason to believe is a resident of, any jurisdiction outside Canada, to the extent that such issue would require the Bank to take any action to comply with the securities, banking or analogous laws of such jurisdiction. See also "Bank Act Restrictions and Restrictions on Payment of Dividends" in the Prospectus.

Purchase for Cancellation

Subject to the provisions of the Bank Act, including, if required, the prior consent of the Superintendent, and to the provisions described below under "—Restrictions on Dividends and Retirement of Series AH Shares", the Bank may at any time purchase for cancellation any Series AH Shares at the lowest price or prices at which, in the opinion of the Bank, such shares are obtainable.

Rights on Liquidation

In the event of the liquidation, dissolution or winding-up of the Bank, the holders of the Series AH Shares will be entitled to receive a sum per share equal to \$25.00, together with the amount of declared and unpaid dividends to the date of payment, before any amount shall be paid or any assets of the Bank distributed to the holders of Common Shares or other shares ranking junior to the Series AH Shares. The holders of the Series AH Shares will not be entitled to share in any further distribution of the property or assets of the Bank.

Restrictions on Dividends and Retirement of Series AH Shares

So long as any Series AH Shares are outstanding, the Bank will not, without the approval of the holders of the Series AH Shares given as specified below:

- (a) declare any dividend on the Common Shares or any other shares ranking junior to the Series AH Shares (other than stock dividends on shares ranking junior to the Series AH Shares); or
- (b) redeem, purchase or otherwise retire any Common Shares or any other shares ranking junior to the Series AH Shares (except out of the net cash proceeds of a substantially concurrent issue of shares ranking junior to the Series AH Shares); or
- (c) redeem, purchase or otherwise retire: (i) less than all the Series AH Shares; or (ii) except pursuant to any purchase obligation, sinking fund, retraction privilege or mandatory redemption provisions attaching to any series of preferred shares of the Bank, any other shares ranking prior to or on a parity with the Series AH Shares;

unless, in each case, all dividends on the Series AH Shares up to and including those payable on the dividend payment date for the last completed period for which dividends shall be payable and in respect of which the rights of the holders thereof have not been extinguished, and all dividends then accrued on all other shares ranking prior to or on a parity with the Series AH Shares, have been declared and paid or set apart for payment.

Issuance of Additional Series of Class A First Preferred Shares and Amendment of Series AH Share Provisions

The Bank may not, without the prior approval of the holders of the Class A First Preferred Shares (in addition to such approvals as may be required by the Bank Act or any other legal requirement), (i) create or issue any shares ranking in priority to the Class A First Preferred Shares, or (ii) create or issue any additional series of Class A First Preferred Shares or any shares ranking *pari passu* with the Class A First Preferred Shares, unless at the date of such creation or issuance all cumulative dividends up to and including the last completed period for which such cumulative dividends shall be payable, shall have been declared and paid or set apart for payment in respect of each series of cumulative Class A First Preferred Shares then issued and outstanding and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of non-cumulative Class A First Preferred Shares then issued and outstanding. Currently, there are no outstanding Class A First Preferred Shares which carry the right to cumulative dividends.

The provisions attaching to the Series AH Shares may not be deleted or varied without such approval as may then be required by the Bank Act, subject to a minimum requirement for approval by at least two-thirds of the votes cast at a meeting of the holders of Series AH Shares duly called for the purpose or by the signature of the holders of at least two-thirds of the Series AH Shares outstanding. In addition to the aforementioned approval, the Bank will not without, but may from time to time with, the prior approval of the Superintendent make any such deletion or variation which might affect the classification afforded to the Series AH Shares from time to time for capital adequacy requirements pursuant to the Bank Act and the Regulations and Guidelines thereunder.

Voting Rights

The holders of the Series AH Shares will not be entitled as such to receive notice of or to attend or to vote at any meeting of the shareholders of the Bank unless and until the first time at which the rights of such holders to any undeclared dividends have been extinguished as described under “—Dividends on Series AH Shares” above. In that event, the holders of the Series AH Shares will be entitled to receive notice of, and to attend, all meetings of the shareholders at which directors are to be elected and will be entitled to one vote for each share held. The voting rights of the holders of the Series AH Shares shall forthwith cease upon the first payment by the Bank of a dividend on the Series AH Shares to which the holders are entitled subsequent to the time such voting rights arose. At such time as the rights of such holders to any undeclared dividends on the Series AH Shares have again been extinguished, such voting rights will become effective again and so on from time to time.

Tax Election

The Series AH Shares will be “taxable preferred shares” as defined in the Tax Act for purposes of the tax under Part IV.1 of the Tax Act applicable to certain corporate holders of the Series AH Shares. The terms of the Series AH Shares require the Bank to make the necessary election under Part VI.1 of the Tax Act so that such corporate holders will not be subject to the tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Series AH Shares. See “Canadian Federal Income Tax Considerations”.

Business Day

If any action is required to be taken by the Bank on a day that is not a business day, then such action will be taken on the next succeeding day that is a business day.

Depository Services

Except as otherwise provided below, the Series AG Shares and the Series AH Shares will be issued in “book-entry only” form and must be purchased, transferred, converted or redeemed through participants (“Participants”) in the depository service of CDS or its nominee. Each of the Underwriters is a Participant. On the closing of this offering, the Bank will cause a global certificate or certificates representing the Series AG Shares to be delivered to, and registered in the name of, CDS or its nominee. Except as described below, no purchaser of Series AG Shares or Series AH Shares, as applicable, will be entitled to a certificate or other instrument from the Bank or CDS evidencing that purchaser’s ownership thereof, and no purchaser will be shown on the records maintained by CDS except through a book-entry account of a Participant acting on behalf of such purchaser. Each purchaser of Series AG Shares or Series AH Shares, as applicable, will receive a customer confirmation of purchase from the registered dealer from which the Series AG Shares or Series AH Shares, as applicable, are purchased in accordance with the practices and procedures of that registered dealer. The practices of registered dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. CDS will be responsible for establishing and maintaining book-entry accounts for its Participants having interests in the Series AG Shares or Series AH Shares, as applicable. Reference in this Prospectus Supplement to a holder of Series AG Shares or Series AH Shares, as applicable, means, unless the context otherwise requires, the owner of the beneficial interest in the Series AG Shares or Series AH Shares, as applicable.

If the Bank determines, or CDS notifies the Bank in writing, that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Series AG Shares or Series AH Shares, as applicable, and the Bank is unable to locate a qualified successor, or if the Bank at its option elects, or is required by law, to withdraw the Series AG Shares or Series AH Shares, as applicable, from the book-entry system, then Series AG Shares or Series AH Shares, as applicable, will be issued in fully registered form to holders or their nominees.

Transfers

Transfers of ownership in the Series AG Shares or Series AH Shares, as applicable, will be effected only through records maintained by CDS for such Series AG Shares or Series AH Shares, as applicable, with respect to interests of Participants and on the records of Participants with respect to interests of holders other than Participants. Holders of Series AG Shares or Series AH Shares, as applicable, other than Participants, wishing to purchase, sell or

otherwise transfer ownership of or other interests in the Series AG Shares or Series AH Shares, as applicable, may do so only through Participants. The ability of a holder to pledge Series AG Shares or Series AH Shares, as applicable, or otherwise take action with respect to such holder's interest in Series AG Shares or Series AH Shares, as applicable, (other than through a Participant) may be limited due to the lack of a physical certificate.

Payments and Deliveries

Payments of dividends, if any, or other amounts in respect of Series AG Shares or Series AH Shares, as applicable, will be made by or on behalf of the Bank to CDS or its nominee, as the case may be, as the registered holder of the Series AG Shares or Series AH Shares, as applicable, and the Bank understands that such payments will be forwarded by CDS or its nominee in the appropriate amounts to the relevant Participants in accordance with CDS Procedures. As long as CDS or its nominee is the sole registered holder of the Series AG Shares or Series AH Shares, as applicable, CDS or its nominee will be considered the sole owner of the Series AG Shares or Series AH Shares, as applicable, for purposes of receiving any payments thereon and for all other purposes.

RATINGS

The Series AG Shares have been given a preliminary rating of Pfd-1 with a stable trend by DBRS Limited ("DBRS"), P-1(Low) and A by Standard & Poor's Ratings Services, a division of The McGraw-Hill Companies (Canada) Corporation ("S&P"), using S&P's Canadian Scale for preferred shares and S&P's global scale for preferred shares, respectively, and Aa2 by Moody's Investors Service, Inc. ("Moody's"), a subsidiary of Moody's Corporation.

A Pfd-1 rating by DBRS is the highest of five categories granted by DBRS for preferred shares. A rating trend, expressed as positive, stable or negative, provides an opinion regarding the likely direction of any medium-term rating actions. A P-1 rating by S&P is the highest of the eight categories used by S&P in its Canadian preferred share rating scale. "High" and "Low" grades may be used to indicate the relative standing of a credit within a particular rating category. The A rating by S&P is the second highest of nine categories used by S&P in its global preferred share scale. An Aa2 rating by Moody's is the second highest of nine categories used by Moody's. The modifier 2 indicates that the obligation ranks in the middle of the Aa rating category. Moody's current rating outlook for the Bank and its subsidiaries is negative. A Moody's rating outlook is an opinion regarding the likely direction of an issuer's rating over the medium term.

Credit ratings are intended to provide investors with an independent assessment of the credit quality of an issue or issuer of securities and do not speak to the suitability of particular securities for any particular investor. The credit ratings assigned to the Series AG Shares may not reflect the potential impact of all risks on the value of the Series AG Shares. A rating is therefore not a recommendation to buy, sell or hold securities and may be subject to revision or withdrawal at any time by the rating agency.

BANK ACT RESTRICTIONS AND APPROVALS

The Prospectus sets out a summary of the restrictions contained in the Bank Act concerning the declaration and payment of dividends. The Bank does not anticipate that such restrictions will prevent a declaration or payment of dividends on the Series AG Shares or Series AH Shares, as applicable, in the normal course and the Superintendent has not made any direction to the Bank pursuant to the Bank Act regarding its capital or its liquidity.

CANADIAN FEDERAL INCOME TAX CONSIDERATIONS

In the opinion of McCarthy Tétrault LLP, counsel to the Bank, and Fasken Martineau DuMoulin LLP, counsel to the Underwriters, the following is a summary of the principal Canadian federal income tax considerations generally applicable to a purchaser of Series AG Shares pursuant to this Prospectus Supplement (a "Holder") who, for purposes of the Tax Act and at all relevant times, is resident or is deemed to be resident in Canada, deals at arm's length with and is not affiliated with the Bank, holds his or her Series AG Shares and will hold any Series AH Shares as capital property and is not exempt from tax under Part I of the Tax Act. Generally, the Series AG Shares and Series AH Shares will be considered to constitute capital property to a Holder provided that the Holder does not acquire or hold such shares in the course of carrying on a business or as part of an adventure or concern in the nature of trade. Certain Holders who might

not otherwise be considered to hold their Series AG Shares or Series AH Shares as capital property may, in certain circumstances, be entitled to have such shares and all of their other “Canadian Securities”, as defined in the Tax Act, treated as capital property by making the irrevocable election permitted under subsection 39(4) of the Tax Act.

This summary is not applicable to a purchaser an interest in which is a “tax shelter investment” (as defined in the Tax Act), to a purchaser who has elected to determine its Canadian tax results in a currency (other than Canadian currency) that is a “functional currency” (as defined in the Tax Act), or to a purchaser who is a “financial institution” (as defined in the Tax Act) for purposes of certain rules applicable to securities held by financial institutions (referred to as the “mark-to-market” rules). Such purchasers should consult their own tax advisors. Furthermore, this summary is not applicable to a purchaser that is a “specified financial institution” (as defined in the Tax Act) that receives or is deemed to receive, alone or together with persons with whom it does not deal at arm’s length, in the aggregate dividends in respect of more than 10% of the Series AG Shares or Series AH Shares, as the case may be, outstanding at the time a dividend is (or is deemed to be) received. This summary also assumes that all issued and outstanding Series AG Shares and Series AH Shares are listed on a designated stock exchange in Canada (as defined in the Tax Act) at the time dividends are (or deemed to be) received on such shares.

This summary is based upon the current provisions of the Tax Act and the regulations issued thereunder in force as of the date hereof, all specific proposals to amend the Tax Act and the regulations thereunder publicly announced by or on behalf of the Minister of Finance (Canada) prior to the date hereof (the “Tax Proposals”) and counsel’s understanding of the current administrative policies and assessing practices of the Canada Revenue Agency (the “CRA”) published in writing by the CRA prior to the date hereof. This summary is not exhaustive of all possible Canadian federal income tax considerations, and, except for the Tax Proposals, does not take into account or anticipate any changes in law or CRA administrative policies or assessing practices, whether by way of legislative, governmental or judicial decision or action, nor does it take into account or consider any other federal tax considerations or any provincial, territorial or foreign tax considerations, which may differ materially from those discussed herein. While this summary assumes that the Tax Proposals will be enacted in the form proposed, no assurance can be given that this will be the case, and no assurance can be given that judicial, legislative or administrative changes will not modify or change the statements below.

This summary is of a general nature only and is not, and is not intended to be, and should not be construed to be, legal or tax advice to any particular Holder and no representation with respect to the income tax consequences to any particular Holder is made. Prospective purchasers of Series AG Shares should consult their own tax advisors with respect to the tax consequences of acquiring, holding and disposing of Series AG Shares or Series AH Shares having regard to their own particular circumstances.

Dividends

Dividends (including deemed dividends) received on the Series AG Shares or the Series AH Shares by an individual (other than certain trusts) will be included in the individual’s income and generally will be subject to the gross-up and dividend tax credit rules normally applicable to taxable dividends received from taxable Canadian corporations, including the enhanced gross-up and dividend tax credit rules applicable to any dividends designated by the Bank as eligible dividends in accordance with the provisions of the Tax Act. Dividends (including deemed dividends) received on the Series AG Shares or the Series AH Shares by a corporation to which this summary applies will be included in computing its income and will generally be deductible in computing its taxable income.

The Series AG Shares and the Series AH Shares will be “taxable preferred shares” as defined in the Tax Act for purposes of the tax under Part IV.1 of the Tax Act applicable to certain corporate Holders of the Series AG Shares and the Series AH Shares. The terms of the Series AG Shares and the Series AH Shares require the Bank to make the necessary election under Part VI.1 of the Tax Act so that such corporate Holders will not be subject to tax under Part IV.1 of the Tax Act on dividends received (or deemed to be received) on the Series AG Shares and the Series AH Shares.

A “private corporation”, as defined in the Tax Act, or any other Canadian resident corporation controlled, whether by reason of a beneficial interest in one or more trusts or otherwise, by or for the benefit of an individual (other than a trust) or a related group of individuals (other than trusts), will generally be liable to pay a 33⅓% refundable tax under Part IV of the Tax Act on dividends received (or deemed to be received) on the Series AG Shares and the Series AH Shares to the extent such dividends are deductible in computing its taxable income.

Dividends received by an individual (including certain trusts) may give rise to a liability for alternative minimum tax.

Dispositions

A Holder who disposes of or is deemed to dispose of Series AG Shares or Series AH Shares (including on a redemption of the shares or other acquisition by the Bank, but not including a conversion of Series AG Shares into Series AH Shares or New Preferred Shares and a conversion of Series AH Shares into Series AG Shares or New Preferred Shares) will generally realize a capital gain (or sustain a capital loss) to the extent that the proceeds of disposition, net of any reasonable costs of disposition, exceed (or are less than) the adjusted cost base of such shares to such Holder immediately before the disposition or deemed disposition. The amount of any deemed dividend arising on the redemption or acquisition by the Bank of Series AG Shares or Series AH Shares (described below) generally will not be included in computing the proceeds of disposition to a Holder for purposes of computing the capital gain or capital loss arising on the disposition of such shares. If the Holder is a corporation, any capital loss realized on a disposition or deemed disposition of Series AG Shares or Series AH Shares may in certain circumstances be reduced by the amount of any dividends, including deemed dividends, which have been received on such shares to the extent and under circumstances prescribed by the Tax Act. Analogous rules apply to a partnership or trust of which a corporation, trust or partnership is a member or beneficiary.

Redemption and Conversion

If the Bank redeems for cash or otherwise acquires Series AG Shares or Series AH Shares, other than by a purchase in the manner in which shares are normally purchased by a member of the public in the open market or by reason of a conversion of Series AG Shares into Series AH Shares or New Preferred Shares or a conversion of Series AH Shares into Series AG Shares or New Preferred Shares, the Holder will be deemed to have received a dividend equal to the amount, if any, paid by the Bank, including any redemption premium, in excess of the paid-up capital of such shares at such time. The difference between the amount paid and the amount of the deemed dividend will be treated as proceeds of disposition for the purposes of computing the capital gain or capital loss arising on the disposition of such shares. In the case of a corporate shareholder, it is possible that in certain circumstances all or part of the amount so deemed to be a dividend may be treated as proceeds of disposition and not as a dividend.

The conversion of the Series AG Shares into Series AH Shares or New Preferred Shares and the conversion of Series AH Shares into Series AG Shares or New Preferred Shares will be deemed not to be a disposition of property and accordingly will not give rise to any capital gain or capital loss. The cost to a Holder of Series AH Shares, Series AG Shares or New Preferred Shares, as the case may be, received on the conversion will be deemed to be equal to the Holder's adjusted cost base of the converted Series AG Shares or Series AH Shares, as the case may be, immediately before the conversion.

Taxation of Capital Gains and Capital Losses

Generally, a Holder is required to include in computing its income for a taxation year one-half of the amount of any capital gain (a "taxable capital gain") realized by the Holder in the year. Subject to and in accordance with the provisions of the Tax Act, a Holder is required to deduct one half of the amount of any capital loss (an "allowable capital loss") realized in a taxation year from taxable capital gains realized by the Holder in the year and allowable capital losses in a taxation year in excess of taxable capital gains in the taxation year may be carried back and deducted in any of the three preceding taxation years or carried forward and deducted in any subsequent taxation year against net taxable capital gains realized in such years. Capital gains realized by an individual (including certain trusts) may give rise to a liability for alternative minimum tax.

Additional Refundable Tax

A Holder that is a Canadian-controlled private corporation (as defined in the Tax Act) may be liable to pay an additional refundable tax of 6 $\frac{2}{3}$ % on certain investment income including amounts in respect of taxable capital gains.

EARNINGS COVERAGE

The Bank's dividend requirements on all its outstanding preferred shares, after giving effect to the issue of the Series AG Shares, including the issue of the Series AC Shares and the Series AE Shares, and adjusted to a before-tax equivalent using an effective tax rate of 13.1% for the twelve months ended October 31, 2008, amounted to \$173.9 million for the twelve months ended October 31, 2008. The Bank's interest requirements on all subordinated notes and debentures and liabilities for preferred shares and capital trust securities after adjustment for new issues and retirement, amounted to \$871.1 million for the twelve months ended October 31, 2008. The Bank's reported net income, before interest on subordinated debt and liabilities for preferred shares and capital trust securities and income taxes was \$4,876 million for the twelve months ended October 31, 2008, which was 4.6 times the Bank's aggregate dividend and interest requirement for this period.

On an adjusted basis, the Bank's net income before interest on subordinated debt and liabilities for preferred shares and capital trust securities and income taxes for the twelve months ended October 31, 2008 was \$4,807 million, which was 4.6 times the Bank's aggregate dividend and interest requirement for this period.

The Bank's financial results are prepared in accordance with Canadian generally accepted accounting principles ("GAAP"). The Bank refers to results prepared in accordance with GAAP as "reported" results. The Bank also utilizes non-GAAP financial measures referred to as "adjusted" results to assess each of its businesses and to measure overall Bank performance. To arrive at adjusted results, the Bank removes "items of note", net of income taxes, from reported results. The items of note relate to items which management does not believe are indicative of underlying business performance. The Bank believes that adjusted results provide the reader with a better understanding of how management views the Bank's performance. As explained, adjusted results are different from reported results determined in accordance with GAAP. Adjusted results, items of note and related terms used herein are not defined terms under GAAP, and, therefore, may not be comparable to similar terms used by other issuers. Please see page 19 of the Bank's 2008 Annual Report for a reconciliation between the Bank's reported and adjusted results.

PLAN OF DISTRIBUTION

Under an underwriting agreement (the "Underwriting Agreement") dated as of January 23, 2009 between the Bank and TD Securities Inc. and the other underwriters whose names appear under the heading "Certificate of the Underwriters" (together, the "Underwriters"), the Bank has agreed to sell and the Underwriters have severally agreed to purchase on January 30, 2009 or such later date as may be agreed upon, but not later than March 6, 2009, subject to the terms and conditions stated therein, all but not less than all of the 15,000,000 Series AG Shares at a price of \$25.00 per share payable in cash to the Bank against delivery of such Series AG Shares. The obligations of the Underwriters under the Underwriting Agreement may be terminated if there should occur conditions of national or international consequence which may seriously adversely affect the Canadian financial markets and may also be terminated upon the occurrence of certain stated events. The Underwriters are, however, obligated to take up and pay for all of the Series AG Shares if any Series AG Shares are purchased under the Underwriting Agreement.

The Underwriting Agreement provides that the Underwriters will be paid a fee equal to \$0.25 per share in respect of Series AG Shares sold to certain institutions and \$0.75 per share in respect of all other Series AG Shares, on account of underwriting services rendered in connection with this offering, which fees will be paid out of the general funds of the Bank.

The Underwriters may not, throughout the period of distribution, bid for or purchase the Series AG Shares. The foregoing restriction is subject to certain exceptions, on the condition that the bid or purchase not be engaged in for the purpose of creating actual or apparent active trading in, or raising the price of the Series AG Shares. These exceptions include a bid or purchase permitted under the Universal Market Integrity Rules administered by the Investment Industry Regulatory Organization of Canada relating to market stabilization and passive market-making activities and a bid or purchase made for and on behalf of a customer where the order was not solicited during the period of distribution. The Bank has been advised that, in connection with this offering and subject to the foregoing, the Underwriters may over-allot or effect transactions which stabilize or maintain the market price of the Series AG Shares at a level above that which might otherwise prevail in the open market. Such transactions, if commenced, may be discontinued at any time.

The Underwriters propose to offer the Series AG Shares initially at the offering price specified on the front cover of this Prospectus Supplement. After the Underwriters have made a reasonable effort to sell all of the Series AG Shares at the price specified on the cover page, the offering price may be decreased and may be further changed from time to time to an amount not greater than that set out on the cover page.

The Bank intends to apply to list the Series AG Shares and the Series AH Shares on the TSX. Listing will be subject to the Bank fulfilling all of the requirements of the TSX.

TD Securities Inc., one of the Underwriters, is a wholly-owned subsidiary of the Bank. By virtue of such ownership, the Bank is a related and connected issuer of TD Securities Inc. under applicable securities legislation. The decision to distribute the Series AG Shares and the determination of the terms of the distribution were made through negotiations between the Bank on the one hand and the Underwriters on the other hand. TD Securities Inc. will not receive any benefit in connection with this offering, other than its share of the Underwriters' fee payable by the Bank.

Under applicable securities laws, Scotia Capital Inc. ("Scotia") is an independent underwriter in connection with this offering and is not related or connected to the Bank or to TD Securities Inc. In that capacity, Scotia has participated with all other Underwriters in due diligence meetings relating to this Prospectus Supplement with the Bank and its representatives, has reviewed this Prospectus Supplement and has had the opportunity to propose such changes to this Prospectus Supplement as it considered appropriate. In addition, Scotia has participated, together with the other Underwriters, in the structuring and pricing of this offering.

RISK FACTORS

An investment in the Series AG Shares is subject to certain risks including those set out in the Prospectus and the following. From time to time, the stock market experiences significant price and volume volatility that may affect the market price for reasons unrelated to the Bank's performance. Additionally, the respective value of the Series AG Shares and the Series AH Shares is subject to market value fluctuations based upon factors which influence the Bank's operations, such as legislative or regulatory developments, competition, technological change and global capital market activity.

Real or anticipated changes in credit ratings on the Series AG Shares or the Series AH Shares may affect the market value of the Series AG Shares and the Series AH Shares, respectively.

The Series AG Shares and the Series AH Shares are equity capital of the Bank which rank equally with other Class A First Preferred Shares in the event of an insolvency or winding-up of the Bank. If the Bank becomes insolvent or is wound-up, the Bank's assets must be used to pay deposit liabilities and other debt, including subordinated debt, before payments may be made on the Series AG Shares, the Series AH Shares and other Class A First Preferred Shares.

Prevailing yields on similar securities will also affect the market value of the Series AG Shares and the Series AH Shares.

The dividend rate in respect of the Series AG Shares and Series AH Shares will reset every five years and quarterly, respectively. In each case, the new dividend rate is unlikely to be the same as, and may be lower than, the dividend rate for the applicable preceding dividend period.

An investment in the Series AG Shares may become an investment in Series AH Shares without the consent of the holder in the event of an automatic conversion in the circumstances described under "Details of the Offering – Certain Provisions of the Series AG Shares as a Series - Conversion of Series AG Shares into Series AH Shares" above. Upon the automatic conversion of the Series AG Shares into Series AH Shares, the dividend rate on the Series AH Shares will be a floating rate that is adjusted quarterly by reference to the T-Bill Rate which may vary from time to time. In addition, holders may be prevented from converting their Series AG Shares into Series AH Shares in certain circumstances. See "Details of the Offering – Certain Provisions of the Series AG Shares as a Series – Conversion of Series AG Shares into Series AH Shares" and "– Issuance of Additional Series of Class A First Preferred Shares and Amendment of Series AG Share Provisions".

USE OF PROCEEDS

The net proceeds to the Bank from the sale of the Series AG Shares, after deducting expenses of issue, will be used for general purposes of the Bank.

LEGAL MATTERS

In connection with the issue and sale of the Series AG Shares, certain legal matters will be passed upon on behalf of the Bank by McCarthy Tétrault LLP and on behalf of the Underwriters by Fasken Martineau DuMoulin LLP. As of the date hereof, partners, counsel and associates of McCarthy Tétrault LLP and Fasken Martineau DuMoulin LLP, respectively, as a group, beneficially own, directly or indirectly, less than one percent of any securities of the Bank or any associates or affiliates of the Bank.

TRANSFER AGENT AND REGISTRAR

CIBC Mellon Trust Company, Toronto, is a transfer agent and registrar for the Series AG Shares and Series AH Shares and is the transfer agent and registrar for each outstanding series of Class A First Preferred Shares and the Common Shares.

FORWARD-LOOKING STATEMENTS

This Prospectus, including those documents incorporated by reference, may contain forward-looking statements. All such statements are made pursuant to the “safe harbour” provisions of the United States *Private Securities Litigation Reform Act of 1995* and applicable Canadian securities legislation. Forward-looking statements include, among others, statements regarding the Bank’s objectives and targets for 2008 and beyond, and strategies to achieve them, the outlook for the Bank’s business lines, and the Bank’s anticipated financial performance. The economic assumptions for each of our business segments are set out in the Bank’s Annual Report. Forward-looking statements are typically identified by words such as “will”, “should”, “believe”, “expect”, “anticipate”, “intend”, “estimate”, “plan”, “may” and “could”. By their very nature, these statements require us to make assumptions and are subject to inherent risks and uncertainties, general and specific, which may cause actual results to differ materially from the expectations expressed in the forward-looking statements. Some of the factors – many of which are beyond our control – that could cause such differences include: credit, market (including equity and commodity), liquidity, interest rate, operational, reputational, insurance, strategic, foreign exchange, regulatory, legal and other risks discussed in the Bank’s Annual Report and in other regulatory filings made in Canada and with the U.S. Securities and Exchange Commission (“SEC”); general business and economic conditions in Canada, the United States and other countries in which the Bank conducts business, as well as the effect of changes in monetary policy in those jurisdictions and changes in the foreign exchange rates for the currencies of those jurisdictions; the degree of competition in the markets in which the Bank operates, both from established competitors and new entrants; the accuracy and completeness of information the Bank receives on customers and counterparties; the development and introduction of new products and services in markets; developing new distribution channels and realizing increased revenue from these channels; the Bank’s ability to execute its strategies, including its integration, growth and acquisition strategies and those of its subsidiaries, particularly in the U.S.; changes in accounting policies (including future accounting changes) and methods the Bank uses to report its financial condition, including uncertainties associated with critical accounting assumptions and estimates; changes to our credit ratings; global capital market activity; the Bank’s ability to attract and retain key executives; reliance on third parties to provide components of the Bank’s business infrastructure; the failure of third parties to comply with their obligations to the Bank or its affiliates as such obligations relate to the handling of personal information; technological changes; the use of new technologies in unprecedented ways to defraud the Bank or its customers; legislative and regulatory developments;

change in tax laws; unexpected judicial or regulatory proceedings; continued negative impact of the United States securities litigation environment; unexpected changes in consumer spending and saving habits; the adequacy of the Bank's risk management framework, including the risk that the Bank's risk management models do not take into account all relevant factors; the possible impact on the Bank's businesses of international conflicts and terrorism; acts of God, such as earthquakes; the effects of disease or illness on local, national or international economies; and the effects of disruptions to public infrastructure, such as transportation, communication, power or water supply. A substantial amount of the Bank's business involves making loans or otherwise committing resources to specific companies, industries or countries. Unforeseen events affecting such borrowers, industries or countries could have a material adverse effect on the Bank's financial results, businesses, financial condition or liquidity. The preceding list is not exhaustive of all possible factors. Other factors could also adversely affect the Bank's results. For more information, see the Bank's Annual Report. All such factors should be considered carefully when making decisions with respect to the Bank, and undue reliance should not be placed on the Bank's forward-looking statements as they may not be suitable for other purposes. The Bank does not undertake to update any forward-looking statements, whether written or oral, that may be made from time to time by or on its behalf, except as required under applicable securities legislation. See "Risk Factors".

On September 5, 2008, the Bank redeemed all of its \$1 billion of outstanding 4.54% subordinated debentures due September 5, 2013, at a redemption price of 100% of the principal amount. The debentures qualified as Tier 2B regulatory capital of the Bank.

On September 12, 2008, the Bank issued 10,000,000 Non-Cumulative 5-Year Rate Reset Class A First Preferred Shares, Series AA of the Bank (the "Series AA Shares") for aggregate gross proceeds of \$250 million. The Series AA Shares are redeemable by the Bank for cash, subject to regulatory consent, after approximately five years and are convertible, in certain circumstances, into Non-Cumulative Floating Rate Class A First Preferred Shares, Series AB of the Bank, and vice versa. The net proceeds of the offering were added to the Bank's Tier 1 regulatory capital.

On September 17, 2008, TD Capital Trust III, a closed-end trust established by the Bank and Computershare Trust Company of Canada, as trustee, issued 1,000,000 TD Capital Trust III Securities – Series 2008 (the "TD CaTS III") for aggregate gross proceeds of \$1 billion. Cash distributions are expected to be paid semi-annually on the TD CaTS III at a yield of 7.243% per year up to and including December 31, 2018, at which time distributions will reset semi-annually. An investment in TD CaTS III could be replaced in certain circumstances, without the consent of the holders, by an investment in Class A First Preferred Shares, Series A9 of the Bank. The net proceeds of the offering were added to the Bank's Tier 1 regulatory capital.

DESCRIPTION OF THE DEBT SECURITIES

The following is a summary of the material attributes and characteristics of the subordinated indebtedness of the Bank evidenced by the Debt Securities, which does not purport to be complete. Reference is made to the Trust Indenture referred to below for the full text of such attributes and characteristics. A copy of the Trust Indenture may be obtained on request from the Corporate Secretary, The Toronto-Dominion Bank, Toronto-Dominion Centre, Toronto, Ontario, Canada, M5K 1A2 (telephone: (416) 308-6963) and is also available electronically at www.sedar.com.

General

The Debt Securities will be issued as one or more series of debentures pursuant to the provisions of a trust indenture dated as of November 1, 2005 between the Bank and Computershare Trust Company of Canada as trustee (the "Trustee"), as supplemented from time to time (including by supplemental indentures to be entered into with respect to each offering of Debt Securities) (collectively, the "Trust Indenture"). The aggregate principal amount of debentures (including the Debt Securities) that may be issued under the Trust Indenture is unlimited. In addition, the Bank may offer Debt Securities by way of another trust indenture, the terms of which would be described in the Prospectus Supplement relating to such offering of Debt Securities.

Status and Subordination

The Debt Securities will be direct unsecured obligations of the Bank, constituting subordinated indebtedness for the purposes of the Bank Act, ranking at least equally with other subordinated indebtedness of the Bank from time to time issued and outstanding. In the event of the insolvency or winding-up of the Bank, the indebtedness evidenced by debentures issued by the Bank, including the Debt Securities, will be subordinate in right of payment to the prior payment in full of the deposit liabilities of the Bank and all other liabilities of the Bank except liabilities which by their terms rank in right of payment equally with or subordinate to indebtedness evidenced by such debentures.

The Debt Securities will not constitute deposits that are insured under the *Canada Deposit Insurance Corporation Act* (Canada) or by the U.S. Federal Deposit Insurance Corporation.

Specific Variable Terms

The specific variable terms of any offering of Debt Securities (including, where applicable and without limitation, the aggregate principal amount of the Debt Securities being offered, the currency or currency unit, the issue and delivery date, the maturity date, the issue price, the interest rate (either fixed or floating and, if floating, the manner of calculation thereof), the interest payment date(s), any redemption, conversion, exchange, sinking fund or repurchase provisions, the name of any Investment Dealer involved in the distribution of the Debt Securities, the compensation payable to any Investment Dealer, the method of distribution, the form (either global book-entry form or certificated form) and the proceeds to the Bank) will be set forth in the Prospectus Supplement that will accompany this Prospectus. The Bank reserves the right to set forth in a Prospectus Supplement specific variable terms of any offering of Debt Securities which are not within the options and parameters set forth in this Prospectus.

Covenant

The Trust Indenture provides that the Bank will not create, issue or incur any indebtedness subordinate in right of payment to the deposit liabilities of the Bank which, in the event of the insolvency or winding-up of the Bank, would rank prior in right of payment to the Debt Securities.

Events of Default

The Trust Indenture provides that an event of default in respect of the Debt Securities will occur only if the Bank becomes insolvent or bankrupt or resolves to wind-up or liquidate or is ordered wound-up or liquidated. If an event of default has occurred and is continuing, the Trustee may, in its discretion and shall upon the request of holders of not less than one-quarter of the principal amount of a series of Debt Securities then outstanding under the Trust Indenture, declare the principal of and interest on all outstanding Debt Securities of such series to be immediately due and payable. There will be no right of acceleration in the case of a default in the payment of interest or a default in the performance of any other covenant of the Bank in the Trust Indenture, although a legal action could be brought to enforce such covenant.

Form

Unless otherwise specified in the applicable Prospectus Supplement, each offering of Debt Securities will be issued in “book-entry only” form. See “Book-Entry Only Securities”.

Modification

The Trust Indenture and the rights of the holders of debentures issued pursuant to the Trust Indenture, including the Debt Securities, may in certain circumstances be modified, if authorized by extraordinary resolution. For that purpose, among others, the Trust Indenture contains provisions making extraordinary resolutions binding upon all holders of debentures. “Extraordinary resolution” is defined, in effect, as a resolution passed at a meeting of holders of the debentures by the favourable votes of the holders of not less than 66-2/3% of the principal amount of debentures voted on the resolution at such meeting at which a quorum, as specified in the Trust Indenture, is present, or as a resolution contained in one or more instruments in writing signed by the holders of not less than 66-2/3% of the principal amount of the then outstanding debentures. Provision is made in the Trust Indenture for additional approval by the same percentage of the holders of a series of debentures if the rights of the holders of such series are affected in a manner or to an extent substantially different from those of other series. The Bank may also offer Debt Securities by way of another trust indenture, the terms of which would be described in the Prospectus Supplement relating to such offering of Debt Securities.

Holders' Rights

Rights of a holder of a Debt Security represented by a global certificate in book-entry form, including voting rights, must be exercised through a CDS Participant or DTC Participant (each as defined below) in accordance with the rules and procedures of CDS or DTC (each as defined below), as applicable. See “Book-Entry Only Securities”.

Additional Subordinated Indebtedness

The Trust Indenture does not contain any restriction on the aggregate amount of subordinated indebtedness which may be issued thereunder.

Governing Law

The Trust Indenture and the Debt Securities shall be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein. The Bank may also offer Debt Securities by way of another trust indenture, the terms of which would be described in the Prospectus Supplement relating to such offering of Debt Securities.

DESCRIPTION OF COMMON SHARES

The authorized common share capital of the Bank consists of an unlimited number of Common Shares without nominal or par value, of which 807,324,886 were outstanding as at July 31, 2008. The holders of Common Shares are entitled to vote at all meetings of the shareholders of the Bank except meetings at which only holders of a specified class or series of shares are entitled to vote. The holders of Common Shares are entitled to receive dividends as and when declared by the Board of Directors of the Bank, subject to the preference of the holders of the preferred shares (including the Preferred Shares) of the Bank. After payment to the holders of the preferred shares of the Bank of the amount or amounts to which they may be entitled, and after payment of all outstanding debts, the holders of Common Shares shall be entitled to receive the remaining property of the Bank upon the liquidation, dissolution or winding-up thereof.

DESCRIPTION OF PREFERRED SHARES

The following describes certain general terms and provisions of the Preferred Shares. The particular terms and provisions of a series of Preferred Shares offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below may apply thereto, will be described in such Prospectus Supplement.

Issuable in Series

The Preferred Shares may be issued from time to time, in one or more series, with such rights, privileges, restrictions and conditions as the Board of Directors of the Bank may determine. Currently, there are 14,000,000 Preferred Shares, Series M, 8,000,000 Preferred Shares, Series N, 17,000,000 Preferred Shares, Series O, 10,000,000 Preferred Shares, Series P, 8,000,000 Preferred Shares, Series Q, 10,000,000 Preferred Shares, Series R, 10,000,000 Preferred Shares, Series S, 10,000,000 Preferred Shares, Series Y and 10,000,000 Preferred Shares, Series AA outstanding.

Priority

The Preferred Shares rank prior to the Common Shares and to any other shares of the Bank ranking junior to the Preferred Shares with respect to the payment of dividends and the distribution of assets in the event of the liquidation, dissolution or winding-up of the Bank. Each series of Preferred Shares ranks on a parity with every other series of Preferred Shares.

Restriction

Pursuant to the Bank Act, the Bank may not, without the approval of the holders of the Preferred Shares, create any class of shares ranking prior to or on a parity with the Preferred Shares.

Amendment of Class Provisions

Approval of amendments to the provisions of the Preferred Shares as a class may be given in writing by the holders of all the outstanding Preferred Shares or by a resolution carried by an affirmative vote of at least two-thirds of the votes cast at a meeting at which the holders of a majority of the then outstanding Preferred Shares are present or represented by proxy or, if no quorum is present at such meeting, at an adjourned meeting at which the shareholders then present or represented by proxy may transact the business for which the meeting was originally called.

Priority on Liquidation, Dissolution or Winding-up

In the event of the liquidation, dissolution or winding-up of the Bank, before any amounts shall be paid to or any assets distributed among the holders of the Common Shares or shares of any other class of the Bank ranking junior to the Preferred Shares, the holder of a Preferred Share of a series shall be entitled to receive to the extent provided for with respect to such Preferred Shares by the conditions attaching to such series: (i) an amount equal to the amount paid up thereon; (ii) such premium, if any, as has been provided for with respect to the Preferred Shares of such series; and (iii) all unpaid cumulative dividends, if any, on such Preferred Shares and, in the case of non-cumulative Preferred Shares, all declared and unpaid non-cumulative dividends. After payment to the holders of the Preferred Shares of the amounts so payable to them, they shall not be entitled to share in any further distribution of the property or assets of the Bank. Each series of Preferred Shares ranks on a parity with every other series of Preferred Shares.

Voting Rights

There are no voting rights attaching to the Preferred Shares except to the extent provided in any series or by the Bank Act.

Creation and Issue of Additional Shares

The Bank may not, without the prior approval of the holders of the Preferred Shares, create or issue (i) any shares ranking in priority to or on a parity with the Preferred Shares; or (ii) any additional series of Preferred Shares unless at the date of such creation or issuance all cumulative dividends and any declared and unpaid non-cumulative dividends shall have been paid or set apart for payment in respect of each series of Preferred Shares then issued and outstanding.

DESCRIPTION OF WARRANTS

The following describes certain general terms and provisions that will apply to the Warrants. The particular terms and provisions of Warrants offered by a Prospectus Supplement, and the extent to which the general terms and provisions described below apply to such Warrants, will be described in such Prospectus Supplement.

Warrants may be offered separately or together with Preferred Shares. Each series of Warrants will be issued under a separate indenture (each, a "Warrant Indenture") in each case between the Bank and a trustee determined by the Bank. The statements below relating to any Warrant Indenture and the Warrants to be issued thereunder are summaries of certain anticipated provisions thereof, are not complete and are subject to, and qualified by reference to all provisions of the applicable Warrant Indenture. The applicable Prospectus Supplement will include details of the Warrant Indenture with respect to the Warrants being offered. Reference is made to the applicable Prospectus Supplement which will accompany this Prospectus for the terms and other information with respect to the offering of Warrants being offered thereby.

Preferred Share Warrants

The particular terms and provisions of each issue of Warrants providing for the issuance of Preferred Shares on exercise of Warrants will be described in the related Prospectus Supplement and may include the designation, number and terms of the Preferred Shares purchasable upon exercise of the Warrants, any procedures that will result in the adjustment of these numbers, the exercise price, dates and periods of exercise, the currency in which the Warrants are issued and any other specific terms of the Warrants.

BOOK-ENTRY ONLY SECURITIES

CDS Clearing and Depository Services Inc.

Securities issued in “book-entry only” form must be purchased, transferred or redeemed through participants (“CDS Participants”) in the depository service of CDS Clearing and Depository Services Inc. or a successor or its nominee (collectively, “CDS”), except that Securities issued in the United States generally must be purchased, transferred or redeemed through participants (“DTC Participants”) in the depository service of The Depository Trust Company or a successor or its nominee (collectively, “DTC”), as described below. Each of the Investment Dealers named in an accompanying Prospectus Supplement offering securities in “book-entry only” form will be a CDS Participant. On the closing of a book-entry only offering, the Bank will cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, CDS. Except as described below, no purchaser of Securities will be entitled to a certificate or other instrument from the Bank or CDS evidencing that purchaser’s ownership thereof, and no purchaser will be shown on the records maintained by CDS except through a book-entry account of a CDS Participant acting on behalf of such purchaser. Each purchaser of Securities will receive a customer confirmation of purchase from the Investment Dealer from which the Securities are purchased in accordance with the practices and procedures of that Investment Dealer. The practices of Investment Dealers may vary, but generally customer confirmations are issued promptly after execution of a customer order. Reference in this Prospectus to a holder of Securities means, unless the context otherwise requires, the owner of the beneficial interest in the Securities.

CDS will be responsible for establishing and maintaining book-entry accounts for CDS Participants having interests in the Securities. If (i) the book-entry only system ceases to exist, (ii) the Bank determines that CDS is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Bank is unable to locate a qualified successor, or (iii) the Bank at its option elects, or is required by applicable law or the rules of any securities exchange, to withdraw the Securities from the book-entry only system, then physical certificates representing the Securities will be issued to holders thereof or their nominees.

Transfer, Conversion and Redemption of Securities

Transfers of ownership, conversions or redemptions of Securities will be effected only through records maintained by CDS for such Securities with respect to interests of CDS Participants and on the records of CDS Participants with respect to interests of persons other than CDS Participants. Holders of Securities who are not CDS Participants, but who desire to purchase, sell or otherwise transfer ownership of or other interests in the Securities, may do so only through CDS Participants. The ability of a holder to pledge Securities or otherwise take action with respect to such holder’s interest in Securities (other than through a CDS Participant) may be limited due to the lack of a physical certificate.

Payments and Deliveries

The Bank will make, or cause to be made, payments of principal, redemption price, if any, dividends and interest, as applicable, on Securities to CDS as the registered holder of the Securities and the Bank understands that the payment will be forwarded by CDS to CDS Participants in accordance with the customary practices and procedures of CDS. As long as CDS is the registered owner of the Securities, CDS will be considered the sole owner of the Securities for the purposes of receiving notices or payments on the Securities. As long as the Securities are held in the CDS book-entry only system, the responsibility and liability of the Bank in respect of the Securities is limited to making payments of principal, redemption price, if any, dividends and interest, as applicable, on the Securities to CDS, as registered holder of the Securities. The Bank expects that CDS, upon receipt of any payment in respect of Securities, will credit CDS Participants’ accounts in amounts proportionate to their respective interests in the principal amount of such Securities as shown on the records of CDS in accordance with the customary practices and procedures of CDS. The Bank also expects that payments by CDS Participants to the owners of beneficial interests in Securities held through such CDS Participants will be governed by standing instructions and customary practices, and will be the responsibility of such CDS Participants. The rules governing CDS provide that it acts as the agent and depository for the CDS Participants. As a result, CDS Participants must look solely to CDS, and persons other than CDS Participants having an interest in Securities must look solely to CDS Participants, for payments or deliveries made by or on behalf of the Bank to CDS in respect of such Securities.

Each beneficial owner must rely on the procedures of CDS and, if such beneficial owner is not a CDS Participant, on the procedures of the CDS Participant through which such beneficial owner owns its interest, to exercise any rights with respect to the Securities. The Bank understands that under existing policies of CDS and industry practices, if the Bank requests any action of a beneficial owner or if a beneficial owner desires to give any notice or take any action which a registered holder is entitled to give or take with respect to the Securities, CDS would authorize the CDS Participant acting on behalf of the beneficial owner to give such notice or to take such action, in accordance with the procedures established by CDS or agreed to from time to time by the Bank, any Trustee and CDS. Any beneficial owner that is not a CDS Participant must rely on the contractual arrangement it has directly, or indirectly through its financial intermediary, with its CDS Participant to give such notice or take such action.

None of the Bank, the Investment Dealers, the Trustee or any other trustee (in the case of Debt Securities) will assume liability or responsibility for (i) any aspect of the records relating to the beneficial ownership of the Securities held by CDS or the payments or deliveries relating thereto, (ii) maintaining, supervising or reviewing any records relating to the Securities, or (iii) any advice or representation made by or with respect to CDS relating to the rules governing CDS or any action to be taken by CDS or at the direction of CDS Participants.

The Depository Trust Company

On the closing of a book-entry only offering made in the United States, the Bank will cause a global certificate or certificates representing the aggregate number of Securities subscribed for under such offering to be delivered to, and registered in the name of, DTC. Purchasers of such Securities may only hold interests in the global certificates through DTC if they are DTC Participants. Purchasers may also hold interests through a securities intermediary - banks, brokerage houses and other institutions that maintain securities accounts for customers - that has an account with DTC. DTC will maintain accounts showing the Security holdings of its DTC Participants, and these DTC Participants will in turn maintain accounts showing the Security holdings of their customers. Some of these customers may themselves be intermediaries holding Securities for their customers. Thus, each beneficial owner of a book-entry Security will hold that Security indirectly through a hierarchy of intermediaries, with DTC at the "top" and the beneficial owner's own securities intermediary at the "bottom."

The Securities of each beneficial owner of a book-entry Security will be evidenced solely by entries on the books of the beneficial owner's securities intermediary. The actual purchaser of the Securities will generally not be entitled to have the Securities represented by the global Securities registered in its name and will not be considered the record holder. In most cases, a beneficial owner will also not be able to obtain a paper certificate evidencing the holder's ownership of Securities. Accordingly, you must rely on the procedures of DTC and the DTC participant through which you own your interest to exercise any rights of a holder under the global Security. The book-entry system for holding securities eliminates the need for physical movement of certificates and is the system through which most publicly-traded securities are held in the United States. However, the laws of some jurisdictions require some purchasers of securities to take physical delivery of their securities in definitive form. These laws may impair the ability to transfer book-entry interests in the Securities.

The Bank will make payments on Securities represented by a global Security to DTC as the registered owner and holder of the global Security representing those Securities. DTC has advised the Bank that upon receipt of any payment on a global Security, DTC will immediately credit accounts of DTC participants with payments in amounts proportionate to their respective beneficial interests in that Security, as shown in the records of DTC. Standing instructions and customary practices will govern payments by DTC participants to owners of beneficial interests in a global Security held through those DTC participants, as is now the case with Securities held for the accounts of customers in bearer form or registered in "street name." Those payments will be the sole responsibility of those DTC participants, subject to any statutory or regulatory requirements in effect from time to time.

None of the Bank, the trustees or any respective agents will have any responsibility or liability for any aspect of the records of DTC or any DTC participant relating to, or payments made on account of, beneficial interests in a global Security or for maintaining, supervising or reviewing any of the records of DTC or any DTC participant relating to those beneficial interests.

A beneficial owner of book-entry Securities represented by a global Security held by DTC will have its Securities exchanged for definitive Securities only if: (i) the book-entry only system ceases to exist in the United States, (ii) the

Bank determines that DTC is no longer willing or able to discharge properly its responsibilities as depository with respect to the Securities and the Bank is unable to locate a qualified successor in the United States, or (iii) the Bank at its option elects, or is required by applicable law or the rules of the SEC, to withdraw the Securities from the book-entry only system in the United States.

Unless otherwise specified in the applicable Prospectus Supplement, any global Security that is exchangeable as described in the preceding paragraph will be exchangeable in whole for definitive Securities in registered form, with the same terms and of an equal aggregate principal amount. Definitive Securities will be registered in the name or names of the person or persons specified by DTC in a written instruction to the registrar of the Securities. DTC may base its written instruction upon directions it receives from DTC Participants.

In this Prospectus, for book-entry Securities held through DTC, references to actions taken by Security holders will mean actions taken by DTC upon instructions from DTC Participants, and references to payments and notices of redemption to Security holders will mean payments and notices of redemption to DTC as the registered holder of the Securities for distribution to DTC Participants in accordance with DTC's procedures.

DTC is a limited purpose trust company organized under the laws of the State of New York, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code and a "clearing agency" registered under section 17A of the U.S. Securities Exchange Act of 1934. The rules applicable to DTC and the DTC Participants are on file with the SEC.

The Bank will not have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests in the book-entry Securities held through DTC or for maintaining, supervising or reviewing any records relating to the beneficial ownership interests held through DTC.

BANK ACT RESTRICTIONS AND RESTRICTIONS ON PAYMENT OF DIVIDENDS

The Bank Act contains restrictions on the issue, transfer, acquisition, beneficial ownership and voting of all shares of a chartered bank. For example, no person shall be a major shareholder of a bank if the bank has equity of \$8 billion or more (which would include the Bank). A person is a major shareholder of a bank where: (i) the aggregate of shares of any class of voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more than 20% of that class of voting shares; or (ii) the aggregate of shares of any class of non-voting shares beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person is more than 30% of that class of non-voting shares. No person shall have a significant interest in any class of shares of a bank, including the Bank, unless the person first receives the approval of the Minister of Finance (Canada). For purposes of the Bank Act, a person has a significant interest in a class of shares of a Canadian chartered bank where the aggregate of any shares of the class beneficially owned by that person, by entities controlled by that person and by any person associated or acting jointly or in concert with that person exceeds 10% of all of the outstanding shares of that class of shares of such bank. Purchasers of Securities (and CDS Participants) may be required to furnish declarations relating to ownership (and ownership by clients of such CDS Participants) in a form prescribed by the Bank.

The Bank Act also prohibits the registration of a transfer or issue of any share of the Bank to Her Majesty in right of Canada or of a province or any agent or agency of Her Majesty in either of those rights, or to the government of a foreign country or any political subdivision, agent or agency of any of them.

Under the Bank Act, the Bank cannot redeem or purchase any of its shares, including the Preferred Shares, unless the consent of the Superintendent of Financial Institutions (Canada) (the "Superintendent") has been obtained. In addition, the Bank Act prohibits a payment to purchase or redeem any shares or the declaration of a dividend if there are reasonable grounds for believing that the Bank is, or the payment would cause the Bank to be, in contravention of the capital adequacy and liquidity regulations of the Bank Act or directions of the Superintendent.

The Bank is also restricted from paying certain dividends in the event that TD Capital Trust, TD Capital Trust II or TD Capital Trust III (each a subsidiary of the Bank) fails to pay semi-annual distributions in full to holders of Capital Trust Securities, TD Capital Trust II Securities, or TD Capital Trust III Securities, respectively, when

required pursuant to the terms of the respective securities. In addition, the ability to pay dividends on the Common Shares without the approval of the holders of the outstanding Preferred Shares is restricted unless all dividends on the Preferred Shares have been declared and paid or set apart for payment.

The following earnings coverage ratios do not reflect the issuance of any Securities under this Prospectus.

On an adjusted earnings basis, the Bank's net income before interest on subordinated debt and liabilities for preferred shares and capital trust securities and income taxes for the 12 months ended July 31, 2008 was \$5,371 million, which was 6.4 times the Bank's aggregated dividend and interest requirement for this period.

The Bank's financial results are prepared in accordance with Canadian generally accepted accounting principles ("GAAP"). The Bank refers to results prepared in accordance with GAAP as "reported" results. The Bank also utilizes non-GAAP financial measures referred to as "adjusted" results to assess each of its businesses and to measure overall Bank performance. To arrive at adjusted results, the Bank removes "items of note", net of income taxes, from reported results. The items of note relate to items which management does not believe are indicative of underlying business performance. The Bank believes that adjusted results provide the reader with a better understanding of how management views the Bank's performance. As explained, adjusted results are different from reported results determined in accordance with GAAP. Adjusted results, items of note and related terms used herein are not defined terms under GAAP, and, therefore, may not be comparable to similar terms used by other issuers. Please see page 6 of the Bank's Third Quarter Report to Shareholders for the three and nine months ended July 31, 2008 and page 15 of the Bank's Annual Report for a reconciliation between the Bank's reported and adjusted results.
